Subject: Reclamation Responsibility, Deloy Shumway, Tavertine 8 & 9,  
S0190053, Grand County, Utah

Dear Mr. Shumway:

This letter is in response to a phone call we received from Mr. Jack Day on March 22, 2007, wherein he requested information about the reclamation responsibility you had at the Travertine 8 & 9 mine. I have enclosed maps that indicate the area of your responsibility as identified in 2001.

Basically, you are responsible to reclaim any of the disturbance that you have created. We understand that you have already cleaned up the majority of the site and most of the reclamation has already been done. You should contact Frank Bain with the BLM to make sure they are satisfied with the reclamation that you have done.

Once you have completed reclamation you should fill out form MR-SITE (copy enclosed) and request site release. We will then inspect the site and if everything is completed we will close out the site.

If you have any questions, please call me at (801) 538-5325.

Sincerely,

  
for Daron R. Haddock  
Permit Supervisor
